Message:

Dear Charitta:

Pursuant to our conversation yesterday, I am sending you the postcard we received indicating that our Response to Missing Requirements was received by the USPTO. Also enclosed is all the paperwork that accompanied that filing. Please feel free to call me if you have any questions. I am hopeful that you and I will be able to straighten out this error with respect to the assigned Application No. in a timely manner. Also, I was on Private PAIR and noticed that our Preliminary Amendment and IDS filed on April 22, 2005 is attached to the original Application No. 10/519,756. Please let me know if we need to re-file these documents or if you will take care of getting these documents transferred to the correct application number.

Again, thanks for your assistance.

LETTER

Dear Sir or Madame:

On December 30, 2004, Applicants submitted in the United States Patent and Trademark Office the papers necessary to enter National Phase for International Application No. PCT/US03/23247. The Office returned to Applicants' representatives a postcard stamped with Serial No. 10/519,756 (copy attached). However, on August 4, 2005, the Office issued the attached Notification of Missing Requirements which shows that the application was given Serial Number 10/519,757 (and not 10/519,756).

In response to telephonic inquiry, the Office indicated that the number shown on the Notification of Missing Requirements (i.e., 10/519,757) is the serial number assigned by the Office to the National phase application based on PCT/US03/23247. Accordingly, Applicants respectfully request that the attached copy of the postcard (marked with serial number 10/519,756) be corrected and returned to Applicants' representative.

If there are any questions regarding this letter, Applicants respectfully request that the Office contact Applicant's representative at (858) 350-2337.

Respectfully submitted,
